

Pascal Bouchard

Joëlle, Pascal & Romain Bouchard

Pascal Bouchard is one of the leading independent family growers/producers situated in the heart of Chablis. With a long family history of making outstanding quality Chablis, Pascal Bouchard owns over 35 hectares of superb vineyards that can be found in some of the world's most prestigious locations.

Domaine Pascal Bouchard

Romain Bouchard's aim, "to achieve perfection from the vine to the bottle" means that passion and excellence underpin every stage of the viticultural and vinification processes. A small dedicated team of 11 work the vines through out the year ensuring that only

top quality grapes are produced and the environment remains in optimum condition. As a result the average vine age is 25 years old, and the most established vines date back to the 1950s.

All wines are produced in their own newly equipped and modern winery and each wine is traditionally made with the utmost care and attention for detail.

The range of wines covers the world renowned classic Chablis style to old vine, partially oaked Chablis, without forgetting, of course, the exceptional Grands Crus. All wines have the unmistakable Pascal Bouchard signature for style and quality.

Pascal Bouchard

Bourgogne Chardonnay 'Cote D'Auxerre'

Bourgognes Cotes d'Auxerre are close to Chablis geographically and in style, but slightly less mineral and more fruity. This particular Chardonnay, with a very clear appearance, is a lovely wine with a good persistent finish.

Chablis

A sure bet: product of a clever piece of blending from the various terroirs in Chablis, it is a perfect example of what can be done in the region. It is a pure and authentic wine vinified and aged in stainless steel tanks to retain all its freshness and mineral character.

Chablis 'Vieilles Vignes' Grande Reserve

Produced from the oldest vines of the Domain this complex wine has great concentration and ripeness. A rich, well rounded Chablis with good mineral character.

Pascal Bouchard's Cellars

Chablis 1er Cru 'Montmains'

South-east facing, the vines take full advantage of a clay soil over limestone. Produced from old vines, Montmains has a wonderful mineral character of flint, together with a great structure.

Chablis 1er Cru 'Mont de Milieu'

The result of grapes that are very ripe and concentrated with medium to low yields, this Chablis from the renowned Mont de Milieu is recognised as a stylish, fine elegant wine that tends to be more elegant than powerful.

Chablis 1er Cru 'Fourchaume'

Produced from grapes grown in the historical part of the famous Chablis area this wine will not disappoint. 90% vinified in stainless steel tanks, a full bodied powerful, well-rounded wine with an attractive mineral character.

Chablis Grand Cru 'Les Clos'

This unforgettable Chablis is produced from very low yielding old vines resulting in an incredible amount of concentration. Boasting good structure, great mineral character, and aromas of honey this wine has the fantastic ability to age.
