

2016 DEIDESHEIMER LEINHÖHLE RIESLING VDP.ERSTE LAGE DRY

WINE

In the glass we find a very rich and fruity Riesling. Good balanced with fine acidity and creaminess. Yellow fruit aromas dominate this wonderful dinner companion.

SOIL

Here too the site name gives the bearing. The women of Deidesheim used to use this warmest of sites to bleach their linen cloths. Its 100% south facing and sloped location mean that air temperatures of 50°C and more are not a rarity. Grapes that flourish here incorporate this heat, have mature fruit aromas and sophisticated, balanced acidity.

HARVEST

Selective hand-picking in the middle of October 2016.
