UNFINISHED BUSINESS

**PINOT NOIR**

LIMESTONE COAST

Grapes for our Art Series wines are sourced from a selection of premium vineyards within the renowned Limestone Coast growing region. The diversity in climate and geography makes it the perfect fruit source for the equally diverse Art Series range.

Vineyards are carefully selected based on their suitability for each wine's individual personality. We look to warmer sub-regions for reds and cooler sub-regions for the whites. The wines are then crafted to a consistent style and quality, which is perfect for everyday drinking or more salubrious occasions.

## Background

Fruit for the Unfinished Business Pinot Noir is sourced from a selection of premium cool climate vineyards within the renowned Limestone Coast region.

2020 was a challenging vintage in the vineyard. Drought and wind events made for dramatically low yields, but the fruit that made it was of exceptional quality. This wine was made in a way that allowed the juicy intensity of this parcel of fruit to shine. No unfinished business here, unless you don't manage to finish the bottle. But we highly doubt that....

## Tasting Notes

- Colour:** Deep ruby red core with a silvery pink rim.
- Aroma:** Floral notes of lavender, followed by red berries - think strawberry and fresh raspberries. A hit of spice and wild brambly notes add an extra layer of complexity.
- Palate:** Light - medium bodied with luscious red fruits. The juicy acidity and spicy tannin make this a highly drinkable and very moreish little number.
- Food Match:** Crispy duck pancakes and sweet spring vegetables
- Cellaring:** 3 years.
