OUR COMPANY

Our Domaine is located at the foot of the Roche de Solutré.

Over 5 generations, our wine-making knowledge has enabled us to produce great Pouilly-Fuissé and Mâcon-Solutré. The estate covers 20 parcels of vines for a total area of 7.70 hectares. These are located around the villages of Solutré, Fuissé and the hamlet of Pouilly, aged from 3 to 68 years and planted only with Chardonnay grapes.

The energy and enthusiasm of the new generation, through brother and sister Antoine and Mathilde, perpetuate this dedicated winemaking.
